- Company continues to pursue only fee based advisory mandates in the areas of Debt and Equity Syndication, Balance Sheet Restructuring, Private Equity and Venture Capital Advisory and Mergers & Acquisitions.

Effective April 1, 2018, the Company has also begun the high growth Wealth and Investment Advisory Services, through its wholly-owned Subsidiary, Prime Research & Advisory Limited.

- Consequently, the Company's operations do not require significant capital.
- The nature of Income arising out of Corporate Advisory Services is uncertain and lumpy; Investors should therefore be cognizant that quarter-on-quarter financial comparisons are not necessarily relevant. The addition of Wealth and Investment Advisory Services is meant to add annuity flows to the Company's revenues.
