Item No. 2

Preferential Allotment of Equity Share Warrants

Prime Securities Limited, along with its subsidiaries, is engaged in Investment Banking and Corporate Advisory. The Investment Banking and Advisory business has been steadily growing, through the offering of high-value advisory services, to primarily, small and mid-cap companies. This segment is growing not just in size but also in terms of business opportunities. It has been the policy at Prime to grow by identifying the right opportunities and your Company is trying its best to maximize shareholder wealth by accelerating its growth.

Further, the Board of Directors approved the entry of the Company into newer segments of financial services business through its wholly owned subsidiary, Prime Research and Advisory Limited ("PRAL"). The new services shall comprise value added intermediation services in wealth management and investment

advisory. PRAL shall also engage in assisting banks and institutional investors in risk assessment, portfolio analysis and portfolio rebalancing through execution of specific strategies. PRAL's clients will include corporate treasuries, fund management companies and family offices among others.

To facilitate entry into these exciting and rapidly growing segments, PRAL is taking on board a highly experienced, connected and networked team of twenty five reputed professionals with a proven track record of several years. The team currently has an enviable roster of clients and counter-parties. The new team's business is robust and it has a fairly full opportunity pipeline and substantial current income through fees and annuities that it will bring to PRAL.

The Board of Directors believes that these services will diversify its business streams and create opportunities through complementarity and co-working between its current Corporate Finance and Investment Banking Team and the new team coming on board at PRAL. The annuity business of the incoming team would be additive to the Company's current stream of fee income and would be beneficial through smoothening out of revenues.

The Board Directors is optimistic that this initiative shall further institutionalize the current operations and substantially enhance shareholder value.

Hence, it is proposed to issue equity shares warrants to raise financial resources for meeting the business needs of a wealth management and investments advisory subsidiary, specifically in terms of expanding premises, enhancing personnel and meeting working capital requirements of the subsidiary. The Board of Directors of the Company at its meeting held on Thursday, February 15, 2018, subject to necessary approval(s), has approved the proposal for issue of upto 35,00,000 Equity Shares Warrants ("Warrants") of the Company to M/s. ALSS Investments and upto 35,00,000 Equity Shares Warrants of the Company to Mr. Puneet Pandey. Each Warrant carries an entitlement to subscribe to an equivalent number of Equity Shares of Rs. 5/- each, in one or more tranches, within a period 18 months from the date of allotment of Warrant.

Section 62 of the Companies Act, 2013 provides inter alia, that when it is proposed to increase the issued capital of the Company by way of allotment of further shares, etc., such further shares shall be offered to the existing shareholders of the Company in the manner laid down in the section unless the shareholders in general meeting decide otherwise by passing a special resolution. Therefore, consent of the shareholders by way of a special resolution is being sought pursuant to the provisions of sections 42 & 62 and all other applicable provisions of the Companies Act, 2013 and in terms of the provisions of the SEBI ICDR Regulations and the SEBI LODR Regulations and the uniform listing agreement executed by the Company with the stock exchanges where the equity share of the Company are listed.

As the date of the meeting of the shareholders is Tuesday, March 20, 2018, the Relevant Date (for determining the minimum price) is Sunday, February 18, 2018. The minimum price of Equity Shares, arising from the exercise of the option under the Warrants, in the preferential allotment, shall be allotted at a price not less than the price, determined in accordance with the relevant provisions of Chapter VII of the SEBI ICDR Regulations considering the Relevant Date as Sunday, February 18, 2018 i.e., 30 days prior to the date of this meeting. The Equity Shares, arising from the exercise of the option under the Warrants, to be allotted shall be subject to the Memorandum and Articles of Association of the Company and the terms of issue as decided by the Board and shall rank pari passu in all respects with the existing Equity Shares of the Company.

The Information as required under Regulation 73 of the SEBI ICDR Regulations, 2009 for Preferential Issues is as under:

1. **Object of the Preferential Issue:**

The purpose of this preferential offer is to augment the financial resources by the Company to capitalize / fund its wholly owned subsidiary, Prime Research & Advisory Limited ("PRAL"), for its entering into financial services business. The new services shall comprise value added intermediation services in wealth management and investment advisory. PRAL shall also engage in assisting banks and institutional investors in risk assessment, portfolio analysis and portfolio rebalancing through execution of specific strategies. PRAL's clients will include corporate treasuries, fund management companies and family offices among others.

To facilitate entry into these exciting and rapidly growing segments, PRAL is taking on board a highly experienced, connected and networked team of twenty five reputed professionals with a proven track record of several years. The team currently has an enviable roster of clients and counter-parties. The new team's business is robust and it has a fairly full opportunity pipeline and substantial current income through fees and annuities that it will bring to PRAL.

The Board of Directors believes that these services will diversify its business streams and create opportunities through complementarity and co-working between its current Corporate Finance and Investment Banking Team and the new team coming on board at PRAL. The annuity business of the incoming team would be additive to the Company's current stream of fee income and would be beneficial through smoothening out of revenues.
