Pursuant to the provisions of Regulation 30 of Listing Regulations, read with SEBI Circular No. SEBI/HO/CFD/CMD1/CIR/P/2020/84 dated May 20, 2020, the details relating to material impact of COVID-19 pandemic and the resultant lockdown, on the operations of the Company are given under:

The COVID-19 pandemic has spread throughout the world, including India, which led to nation-wide lockdown from March 25, 2020. We immediately moved to a 100% "work from home" (WFH) mode of operation and this has worked successfully for us. We have been able to conduct business without any interruption during this period using digital tools
The Company, being a financial services & advisory firm has been operating continuously during lockdown complying with the advisories issued by the Government of India from time to time for the safety of everyone
As our operations have run continuously during the lockdown period, on a work from home (WFH) basis, we will gradually open our physical offices once permitted and based on the guidelines and rules issued by the Government of Maharashtra
All steps necessary for the smooth operation of our business on a WFH basis including provision of personal computers / internet connections have been made for all staff
