## **Independent Auditor's Review Report on Standalone Unaudited Quarterly and Year to Date Financial Results of Prime Securities Limited pursuant to Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)**

### **To the Board of Directors of Prime Securities Limited**

1. We have reviewed the accompanying statement of standalone unaudited financial results of **Prime Securities Limited** ('the Company') for the quarter ended **31 December 2023** and the year to date results for the period **01 April 2023 to 31 December 2023** ('the Statement'), being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
2. The Statement, which is the responsibility of the Company's management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. As described in note 5 to the accompanying financial results, the Company has an investment in an unlisted investee company engaged in online gaming platform service business, which is measured at fair value through Other Comprehensive Income. The fair value of such investment as at 31 March 2023 was Rs. 2,344 lakhs, which has been continued to be recognised at the same value as at 31 December 2023. There are certain regulatory developments in the gaming business industry as further described in the said note which indicate possible changes in the fair value of the investment. However, in the absence of an updated fair valuation exercise carried out by the management as at the reporting date, we are unable to comment on the adjustments, if any, that may be required to the carrying value of the aforesaid investment and its corresponding impact on the accompanying financial results of the Company.

5. Based on our review conducted as above, except for the possible effects of matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

**Standalone Notes:**

- 1 The above standalone financial results have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 - Interim Financial Reporting as prescribed under Section 133 of the Companies Act, 2013 read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The standalone financial results were reviewed by Audit Committee and approved by the Board of Directors at its Meeting held on January 19, 2024. The results for the quarter & nine months ended December 31, 2023 have been reviewed by the statutory auditors of the company and they have expressed a modified audit conclusion on these standalone financial results.
- 2 Pursuant to the amendment approved by the shareholders at their meeting held on June 13, 2023 to the object clause for the utilization of funds received against the issue of equity shares in November 2021 to specified investors on a preferential basis, the Company have utilised part of the proceeds in terms of the permitted objects and the balance unutilized proceeds have been invested in the fixed deposits with bank pending utilisation in terms of the objects of the issue.
- 3 Pursuant to the approval granted by the Board of Directors on April 13, 2023 and August 8, 2023, the Company has acquired about 8% equity stake in Bridgeweave Limited.
- 4 Pursuant to the order passed in the earlier quarter, by the Hon'ble Bombay High Court, the Company received the possession of the flat which was acquired in settlement of an amount due to the Company in year 1992. The title to the flat had not been passed on to the Company due to various litigations in the past and hence, the cost of flat was shown in the books as receivables. The Company is coordinating with the Society for transfer of title in the name of the Company. The necessary accounting adjustments in the books will be completed after transfer of the title.
- 5 The Company has designated all its investments in unlisted companies at fair value through Other Comprehensive Income (FVTOCI) as per Ind AS 109. The Company's investment in one of the unlisted investee Company, measured at FVTOCI amounting to Rs. 2,344 lakhs as at March 31, 2023, which has been continued to be recognised at same value as at December 31, 2023, which is into online gaming platform service business. On September 29, 2023, Central Board of Indirect Taxes (CBIC) notified 28% GST on specified actionable claims including online gaming and lottery which is retrospectively operative from July 1, 2017. The GST Authority has raised GST demand for previous years, which may impact the fair value of the investment in investee Company. The GST demand is litigated by the industry members and is currently under review by concerned courts of law. In addition, with effect from October 1, 2023, the investee Company is required to recover tax at the rate of 28% on the entry fees. The investee company also believes any reduction in its fair valuation, though temporary, may be offset by growth in the sector. Since the changes are effective from October 2023, adequate data like consumer reaction and legal status of demand for the previous years, are not available for appropriate evaluation and hence its impact on the fair valuation is unascertainable to that extent. The said investment is therefore carried at the same value adopted as at March 31, 2023.
- 6 The Company has only one segment of business i.e. Financial Advisory & Intermediation services. There are no separate reportable segments in terms of Ind AS 108.
- 7 The amounts reflected as "0" in the Financial Information are values with less than rupees one lakh.
- 8 Previous quarter and period / year ended figures have been regrouped / reclassified, wherever necessary, to confirm to the current quarter / period presentation.
