Independent Auditor's Review Report on Consolidated Unaudited Quarterly and Year to Date Financial Results of Prime Securities Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

#### To the Board of Directors of Prime Securities Limited

- We have reviewed the accompanying statement of unaudited consolidated financial results of Prime Securities Limited ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), (refer Annexure 1 for the list of subsidiaries included in the Statement) for the quarter ended 30 September 2023 and the consolidated year to date results for the period 01 April 2023 to 30 September 2023 ('the Statement'), being submitted by the Holding Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended) ('Listing Regulations').
- 2. This Statement, which is the responsibility of the Holding Company's management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, Interim Financial Reporting ('Ind AS 34'), prescribed under section 133 of the Companies Act, 2013 ('the Act'), and other accounting principles generally accepted in India and is in compliance with the presentation and disclosure requirements of Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
- 3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with the Standards on Auditing specified under section 143(10) of the Act, and consequently, does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March 2019 issued by the SEBI under Regulation 33 (8) of the Listing Regulation, to the extent applicable.

Independent Auditor's Review Report on Consolidated Unaudited Quarterly and Year to Date Financial Results of Prime Securities Limited pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended)

- 4. As described in note 6 to the accompanying financial results, the Holding Company has an investment in an unlisted investee company engaged in online gaming platform service business, which is measured at fair value through Other Comprehensive Income. The fair value of such investment as at 31 March 2023 was Rs. 2,344 lakhs which has been continued to be recognised at same value as at 30 September 2023. There are certain adverse regulatory developments in the gaming business industry as further described in the said note which indicate possible reduction in the fair value of the investment. However, in absence of an updated fair valuation exercise carried out by the management as at reporting date, we are unable to comment on the adjustments, if any, that may be required to the carrying value of the aforesaid investment and its corresponding impact on the accompanying financial results of the Company.
- 5. Based on our review conducted as above, except for the possible effects of matter described in previous section, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in Ind AS 34, prescribed under section 133 of the Act, and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.
- 6. We did not review the interim financial results of two subsidiaries included in the Statement, whose financial information reflects total assets of ₹ 3,387 lakhs as at 30 September 2023, total revenues of ₹ 649 lakhs and ₹ 2,114 lakhs, total net profit after tax of ₹188 lakhs and ₹ 597 lakhs, total comprehensive income of ₹ 190 lakhs and ₹ 588 lakhs, for the quarter and six-month period ended on 30 September 2023, respectively, and cash flows (net) of ₹ 32 lakhs for the period ended 30 September 2023, as considered in the Statement. These interim financial results have been reviewed by other auditors whose review reports have been furnished to us by the management, and our conclusion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries is based solely on the review reports of such other auditors and the procedures performed by us as stated in paragraph 3 above.

Our conclusion is not modified in respect of this matters with respect to our reliance on the work done by and the reports of the other auditors.

The Company's investment in one of the unlisted investee Company, measured at FVTOCI amounting to Rs. 2,344 lakhs as at March 31, 2023, which has been continued to be recognised at same value as at September 30, 2023, which is into online gaming platform service business. On September 29, 2023, Central Board of Indirect Taxes (CBIC) notified 28% GST on specified actionable claims including online gaming and lottery which is retrospectively operative from July 1, 2017. The GST Authority has raised GST demand for previous years, which may impact the fair value of the investment in investee Company. The GST demand is litigated by the industry members and is currently under review by concerned courts of law. In addition, with effect from October 1, 2023, the investee Company is required to recover tax at the rate of 28% on the entry fees. The investee company also believes any reduction in its fair valuation, though temporary, may be offset by growth in the sector. Since the changes are effective from October 2023, adequate data like consumer reaction and legal status of demand for the previous years, are not available for appropriate evaluation and hence its impact on the fair valuation is unascertainable to that extent. The said investment is therefore carried at the same value adopted as at March 31, 2023.
